

# Welcome to our first Newsletter!

December 2016

Welcome to the very first newsletter from Broughton Lodge Care Home.

Well it's been a very busy and exciting time since Broughton Lodge got new owners in November. Our new Directors are well experienced and have a passion in providing excellent care for older people. Their ethos is to only direct small care homes as they passionately believe in providing individual personalised care, like caring for a loved family member.

## Improvements

The team in the kitchen continue to provide lovely home cooked dishes. We now buy better quality ingredients and also offer home-made 'soup of the day', which has proved to be really popular.

## Staff

We welcome Ann & Adele to our team. Both Ann and Adele are new Senior Carers and mainly work days and have both had plenty of care experience with older people.

## Entertainment

And what about Tony & Louise?.. Tony & Louise come to the Home every month to sing and entertain us. Louise has plenty of experience working in Care Homes as previously she was a Carer. The Christmas Party was a hit with our residents and family members alike.

As the Spring flowers will start to bloom next season, we're all looking forward to the residents doing some beautiful flower-arranging.

If anyone has any preferences or ideas for activities, please do let Linda know. We're always looking for new and interesting things for our residents to enjoy!

## Future Improvements

All of the staff team are looking forward to the future and the improvements to be made in the coming months.

Our mantra is "a good home is now becoming a better home ". Thank you Ann for coining the term.
